

How to Add a Do Ink Green Screen Photo or Video to Seesaw

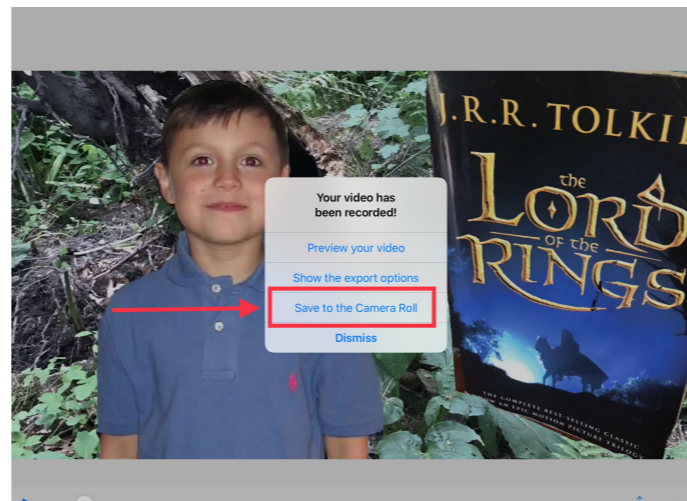

1

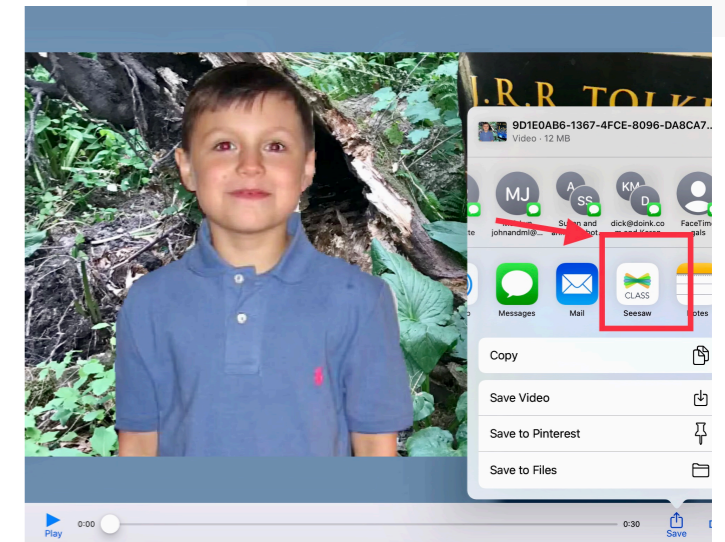

Create your Green Screen Project in Do Ink and select 'Export Video'

2

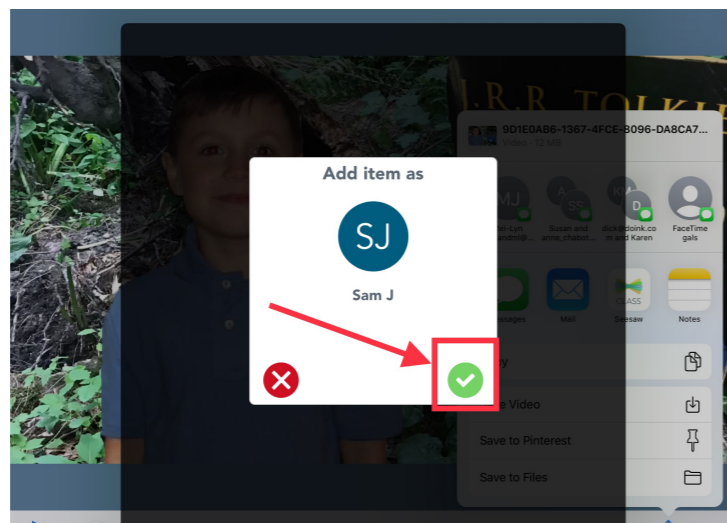

Select ' Save to the Camera Roll'

3

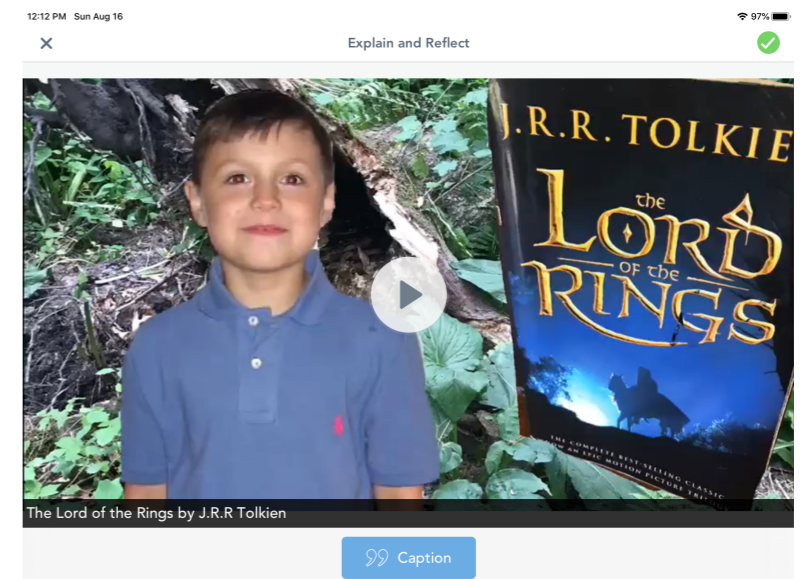

From the Share icon, choose 'Seesaw'

4

Select your name in the Seesaw classroom and select the green 'check'. Item is uploaded to Seesaw when you see 'Success'

5

Project is now available in Seesaw for annotations
